

Lihit

Have "Lihit" Auto Punch on your desk, and the tedious task of drilling papers becomes a joy; Auto Punch ensures Neat Drilling, So Simple.

LIHIT AUTO PUNCH
No. **2001/A**

LIHIT INDUSTRIAL CO., LTD.

This time-saving device does a quick job for you.

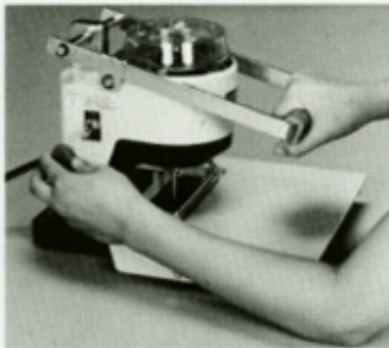

It drills through papers 25mm (1") deep in a fraction of a second.

It is easy to use; you just have to press the handle with one hand.

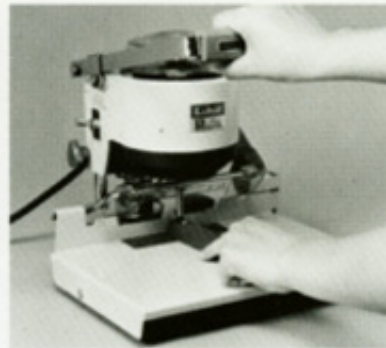

It is a light and portable model.

Dust of bored paper automatically rises through the hollow motor shaft and collects in the Dust Case, and you have no litter to worry about.

"Lihit" original Hollow Drills make holes neatly and instantly.

How to adjust drilling depth

Easy to sharpen the drill tip.

Can bore a hole up to 25mm (1") at a time.
