

# Jogging – Punching

## 6 Paper joggers PR 3 and PR 4

The STAGO paper joggers are indispensable tools for jogging paper piles of differing sizes after printing, cutting and collating.

A few facts:

- For paper sizes up to DIN A3
- Adjustable vibrating power
- Adjustable sliding stop for fixing paper piles of different sizes
- Available as either bench jogger or jogger with height-adjustable stand

## 7 Round cornering machine ESM 20

The STAGO round cornering machine is suitable for a wide range of materials such as paper, cardboard, leather, etc. Thanks to the various tools, it is possible to perform angular cuts and round cornering cleanly and precisely.

A few facts:

- For material sizes up to DIN A3
- Variable depth and side guides
- Side guides swivel for exact placing when performing round cornering

### Paper Joggers
